FOR IMMEDIATE RELEASE

THE SIG SAUER® P220®, P226® AND P229® ELITE DARK PISTOLS
Trusted by Elite Professionals for Proven Reliability

EXETER, NH – [SIG SAUER, Inc.](http://SIGSAUER.com), the leading manufacturer of commercial, law enforcement, and military firearms introduces the SIG SAUER P220, P226 and P229 Elite Dark pistols. The SIG SAUER P220; the best out-of-the-box accurate .45 pistol since its original development as the Swiss Army pistol, and the P226 with its long and successful history with elite government and military organizations, along with law enforcement’s favorite P229, are now available in an all black tactical version.

The models are built on the highly successful Classic Elite™ beavertail frame with front strap checkering. They are finished in a hard coat black anodize alloy with a black Nitron® stainless steel slide featuring front cocking serrations and a tactical rail for accessory lights and lasers. The Elite Dark series also features the SRT™ (Short Reset Trigger), the 4-point safety system and aluminum black anodize grips. Threaded barrel models are available for the P220 (45ACP only), P226 and P229 (9mm only).
