**FOR IMMEDIATE RELEASE**

## **The SIG SAUER® Mastershop® Series**

**EXETER, NH** – SIG SAUER, Inc. has built a world-wide reputation for designing and manufacturing state-of-the-art performance pistols with touch of old world craftsmanship. Developed specifically for shooters seeking the ultimate in shooting excellence, combined with the artistry of classically trained Master German gunsmiths, SIG SAUER introduces the Mastershop Series, of one-of-a-kind P226® pistols.

Each Mastershop pistol is hand-built to order on the superbly reliable P226 X-frame.

These exceptionally accurate models use high grade, exquisitely figured wood grips and luxurious finishes, including a blue pearl Ilaflon coating and gold plated controls.

Every pistol is completely customized to suit individual owner tastes in terms of quality, precision, and performance. These highly

collectible and investment grade SIG SAUER pistols are only available for a limited time in the United States. Lead times will vary depending upon the customization. For more information, call 1-866-619-1128 or log on to [www.sigsauer.com](http://www.sigsauer.com).

### **About SIG SAUER, Inc.**

[SIG SAUER, Inc.](http://www.sigsauer.com) is the largest member of a worldwide business group of firearms manufacturers that includes J.P. Sauer & Sohn and Blaser GmbH in Germany and Swiss Arms AG in Switzerland. This global network of companies gives SIG SAUER a world-class firearms knowledge base, unparalleled design expertise, and extensive manufacturing capacity, enabling the company to respond quickly and effectively to changing market conditions and the needs of its military, law enforcement, and commercial markets worldwide. SIG SAUER is an ISO 9001: 2000 certified company with over 300 employees. For more information on SIG SAUER or any of its products, or the SIG SAUER Academy, log on to [www.sigsauer.com](http://www.sigsauer.com).
