FOR IMMEDIATE RELEASE

THE SIG SAUER® BLACKWATER® 1911

EXETER, NH – [SIG SAUER, Inc.](http://SIGSAUER.com), the leading manufacturer of commercial, law enforcement, and military firearms, designed their 1911's using state-of-the-art computer technology resulting in one of the best performing high quality production 1911 on the market today. The new Blackwater 1911 joins the list of award winning SIG SAUER single actions. Featuring an integrated accessory rail for tactical lasers and lights this mechanically locked, recoil-operated .45 ACP semi-automatic is finished in a Nitron® coating. The Nitron® coated stainless steel slide features front cocking serrations and NOVAK® Night Sights. The SIG SAUER Blackwater 1911 comes with custom Blackwater wood grips.
