FOR IMMEDIATE RELEASE

**SIG SAUER®**  
**LAUNCHES NEXT GENERATION OF THE SAS™ PISTOLS**  
*THE ULTIMATE IN CONCEALED CARRY PERFORMANCE*

**SUMMARY** – SIG SAUER, manufacturer of firearms for the military, law enforcement, and commercial markets has introduced the next generation of SIG Anti-Snag (SAS™) GEN 2 semi-automatic handguns for the concealed carry market. The snag-free profile allows the user to draw from concealed holsters and other concealed carry options without catching on clothing or gear. The new generation features the SIG SAUER Short Reset Trigger (SRT™) which produces shorter trigger travel with greater control and at the same level of safety found in all SIG SAUER SAS handguns. MSRP for the P220 Compact and Carry SAS and P229 SAS GEN 2 is \$1,053.00 for black and \$1,093.00 for two-tone. The P239 SAS retails for \$989.00 for black and \$1,029.00 for two-tone. **EXETER, NH** – SIG SAUER, the leading manufacturer of commercial, law enforcement, and military firearms, introduces the next generation in concealed carry with the SAS™ (SIG Anti-Snag™) GEN 2 family of semi-automatic handguns.

SIG SAUER announced the new family of SAS GEN 2 semi-auto pistols in response to increased demand and the growing market for concealed carry products. SAS availability will be found in the P229, P239, P220 Carry and the P220 Compact models. The new GEN 2 handguns feature SIG SAUER's SRT™ (Short Reset Trigger) System and short trigger. SIG Engineers designed the SRT System to provide the same level of safety and smooth trigger travel of the SIG DA/SA, incorporating a reset that is 60% shorter than standard triggers. The result produces significantly shorter trigger travel and delivers superior control during high-speed shooting.

-more-

The SIG SAUER SAS GEN 2 exterior features a hard coat anodize treatment on the frame and a choice of either black Nitron® or natural stainless finish on the slide. The frame and slide both have gone through a complete and radical dehorning process, resulting in a snag-free profile that provides the ultimate in a custom carry pistol capability. Black polymer grips will replace the original SAS wood grips. Other standard features include SIGLITE® Night Sights and two magazines. Because the new SIG SAUER SAS GEN 2 pistols are completely assembled and tested by the SIG Custom Shop Craftsmen, the slide will proudly carry the CUSTOM SHOP Logo.

## Specifications

### **P229 SAS GEN 2**

Caliber	9mm/.357SIG/.40S&W
Trigger Pull	DA/SA 10.0/4.5 lbs
Overall Length	7.1"
Overall Height	5.4"
Overall Width	1.5"
Barrel Length	3.9"
Sight Radius	5.7"
Sights	Front SIGLITE Night Sights, rear contrast
Weight w/ Mag	32 oz
Mag Capacity	(2) 13 Round (9mm); (2) 12 Round (.357SIG/.40S&W)
Grips	Black Polymer Factory Grips
Frame/Finish	Light weight alloy/Black hard coat anodize
Slide Finish	Stainless billet/Nitron or natural stainless
Operation	Semi-automatic
Safety Features	Firing pin safety, Hammer intercept notch

### **P239 SAS GEN 2**

Caliber	9mm/.357SIG/.40S&W
Trigger Pull	DA/SA 10.0/4.5 lbs
Overall Length	6.6"
Overall Height	5.2"
Overall Width	1.2"
Barrel Length	3.6"
Sight Radius	5.2"
Sights	Front SIGLITE® Night Sights, rear contrast
Weight w/ Mag	29.5 oz
Mag Capacity	(2) 8 Round (9mm); (2) 7 Round (.357SIG/.40S&W)
Grips	Black polymer factory grips
Frame/Finish	Light weight alloy/Black hard coat anodize
Slide Finish	Stainless billet/Nitron® or natural stainless
Operation	Semi-automatic
Safety Features	Firing pin safety, Hammer intercept notch

## **P220 CARRY SAS GEN 2**

Caliber	.45 ACP
Trigger Pull	DA/SA 10.0/4.5 lbs
Overall Length	7.1"
Overall Height	5.5"
Overall Width	1.5"
Barrel Length	3.9"
Sight Radius	5.7"
Sights	SIGLITE Night Sights
Weight w/ Mag	30.4 oz
Mag Capacity	(2) 8 Round
Grips	Black Polymer Factory Grips
Frame/Finish	Light weight alloy/Black hard coat anodize
Slide Finish	Stainless billet/Nitron <sup>®</sup> or natural stainless
Operation	Semi-automatic
Safety Features	Firing pin safety, Hammer intercept notch

## **P220 COMPACT SAS GEN 2**

Caliber	.45 ACP
Trigger Pull	DA/SA 10.0/4.5 lbs
Overall Length	7.79"
Overall Height	5.0"
Overall Width	1.5"
Barrel Length	3.9"
Sight Radius	5.7"
Sights	SIGLITE Night Sights
Weight w/ Mag	30.4 oz
Mag Capacity	(2) 6 Round
Grips	Black Polymer Factory Grips
Frame/Finish	Light weight alloy/Black hard coat anodize
Slide Finish	Stainless billet/Nitron <sup>®</sup> or natural stainless
Operation	Semi-automatic
Safety Features	Firing pin safety, Hammer intercept notch

### **About SIG SAUER, Inc.**

SIG SAUER, Inc. is the largest member of a worldwide business group of firearms manufacturers that includes J.P. Sauer & Sohn and Blaser GmbH in Germany and Swiss Arms AG in Switzerland. This global network of companies gives SIG SAUER a world-class firearms knowledge base, unparalleled design expertise, and extensive manufacturing capacity, enabling the company to respond quickly and effectively to changing market conditions and the needs of its military, law enforcement, and commercial markets worldwide. SIG SAUER is an ISO 9001: 2000 certified company with over 300 employees.
